

# ATF Type F

ATF Type F for Older Ford Motor Vehicles

## Description

Unimark<sup>™</sup> Type F is a high static friction type fluid designed for older ford motor company transmissions requiring high friction fluids. This fluid is also recommended for use in certain Ford power steering systems and farm equipment.

# Application

• Industrial applications such as air compressors or skid steer loaders where the above fluids are recommended.

### **Benefits**

- Outstanding oxidation life with Type F
- All fluids mix safely with all OEM fluids

#### PERFORMANCE RATING

Ford Motor Company ATF Type F M2C33-F

| TYPICAL PROPERTIES            |        |            |
|-------------------------------|--------|------------|
|                               | Method | ATF Type F |
| Specific Gravity, 15.6°C      | D-1298 | 0.8681     |
| Viscosity, cSt at 40°C        | D-445  | 48.31      |
| Viscosity, cSt at 100°C       | D-445  | 7.30       |
| Viscosity Index               | D-2270 | 112        |
| Flash Point, °C (°F)          | D-92   | 231 (448)  |
| Pour Point, °C (°F)           | D-97   | -21 (-6)   |
| Color                         | Visual | Red        |
