

Product Information

High Performance Engine Oil SN

*API Service Fill SN – ILSAC GF-5
State-Of-The-Art Passenger Car Engine Oils*

DESCRIPTION

Unimark™ High Performance Engine Oils SN are exceptionally versatile, premium quality, multi-grade crank case lubricants giving outstanding performance in 2011 and older passenger cars and light trucks manufactured or sold in North America. These oils use state-of-the-art additives and base oils to meet the highest requirements of the API and all OEMs for vehicle mileage and vehicle emissions plus lowest engine wear and extended drain intervals.

Unimark™ High Performance Engine Oils meet all OEM warranty requirements where API SN, SM, SL, SJ, or earlier designations are recommended. These oils are API approved and licensed.

APPLICATION

- All passenger cars, light trucks and SUV's sold in North America
- Taxi, police and other municipal fleets where maximum mileage and minimum maintenance is desired

BENEFITS

- Improved engine robustness and cleanliness
- Improved fuel economy and fuel economy retention
- Extended emission control and catalyst protection
- Full synthetic engine protection under extreme cold or hot temperatures
- Added oil emulsion specification for E85 vehicle protection

PERFORMANCE LEVELS

API SN Resource Conserving and all earlier designations
