

Product No: 501959, 565909, 566709

## Power Steering Fluid

Stops Squeals; Helps Stop Leaks; Compatible With All OEM Fluids

### Description

Unimark™ Power Steering Fluid is an all-season, anti-wear fluid blended with special additives and inhibitors to provide optimum performance in all power steering systems.

Unimark™ Power Steering Fluid uses special base oils which aid in stopping leaking seals — the major problem in many defective power steering units. This product may be used in both geared and rack and pinion systems.

### Application

- Service fill top off for all passenger cars, light trucks and SUV's sold in North America

### Benefits

- Prevents wear and prolongs power steering fluid pump life
- Excellent low temperature flow properties for startup and cold weather use
- Helps prevent seal leakage
- Compatible with all petroleum based power steering fluids
- Excellent service fill fluid
