

## Product Information

### Windshield Wiper Fluid

*Year Round Products For Safer Driving  
Complete Windshield Protection  
Four Formulas For Specific Applications*

---

#### DESCRIPTION

***Gard™ GlassGard +20° Windshield Washer Fluid***

Contains less than 8% volatile organic compounds (VOC) for sale in states where the amount of VOC's are restricted. Freeze level of +20° F offers safe operation in most southern states and complies with less than 8% voc laws in certain States.

***Gard™ GlassGard 0° Windshield Washer Fluid***

Has higher methanol content than GlassGard +20° F for better cleaning power and freeze protection down to 0° F.

***Gard™ IceGard -20° Windshield Washer Fluid***

High methanol content for freeze protection down to -20° F. This is the preferred product in most of the U.S. with excellent cleaning power and greatest freeze protection.

***Gard™ IceGard "Plus" -30° Windshield Washer Fluid***

Highest methanol content for improved cleaning power and freeze protection down to -30° F.

***Gard™ BugGard Windshield Cleaner Fluid***

Blended with a high soap content for extra cleaning power during summer driving season when flying insect levels are highest. Contains less than 8% VOC for legal sale in all states. Freeze protection down to +10° F which enables this product to be used year round in most climates.
