

Product Information

Cotton Picker Spindle Kleen

***Cleaning Compound For Agricultural Equipment
Easy Application Through Small Nozzles
Water Soluble Formulation For Cotton Picker Moisteners***

DESCRIPTION

Xtreme™ Cotton Picker Spindle Kleen is a quality water based cleaner that moistens and cleans cotton picker spindles. ***Xtreme™ Cotton Picker Spindle Kleen*** is recommended by Martin Lubricants for use in farm cotton picker spindle equipment and other general purpose applications where a NLGI No. 00 is used.

Xtreme™ Cotton Picker Spindle Kleen is formulated with premium additives to provide easy emulsification. ***Xtreme™ Cotton Picker Spindle Kleen*** has cleaning capability to keep spindles clean and non-staining of the cotton fiber.

APPLICATION

Xtreme™ Cotton Picker Spindle Kleen meets the application for John Deere and Case International Harvesters cotton pickers.

- John Deere specifications – JDN 354

BENEFITS

- Water soluble formulation ratio of 1.5 to 100.
- Hard and soft water compatible
- Protects the cotton picker against rust and oxidation
- Moistens and cleans spindles

MIXING INSTRUCTIONS

- Fill half of the tank with water. Utilize the moistening control water system to mix in cleaner concentrate to the water ratio of 1 gallon 64 gallons of water. Then add the remaining water to top off the tank.
- Containers of concentrate should be kept in dry storage to avoid contamination with water.
