Martin Lubricants
484 East Sixth Street
Smackover, AR 71762

This is to acknowledge our recognition of your H.V.I. 9 TBN (ASTM D-2896) SAE 40 diesel engine lubricant **SilverGard 40** (Oil Code OR-99487) as being satisfactory for use in EMD engines.

The compounding of this product with 8.68% (wt.) of the OLOA 40000 additive concentrate in Calumet 2400, Safety Kleen RHT240, and Ergon 150BS base stocks yields identical properties to those of another product recognized on the common additive basis and is, therefore, acceptable as a rebrand/reblend.

As a result, **SilverGard 40** qualifies for EMD's internal listing on the above basis and this will serve as recognition of such status.

Sincerely,

D.J. Meyerkord
