This is to acknowledge our recognition of your SAE 20W-40, 9 TBN (ASTM D-2896) diesel engine lubricant **SilverGard 20W-40** (Oil Code OR-99488) as being satisfactory for use in EMD engines.

The compounding of this product with 3.96% (wt.) of OLOA 167 VI improver and 8.68% (wt.) of OLOA 40000 additive concentrate in Calumet 325N and Calumet 700N base stocks yields identical properties to those of another product recognized on the common additive basis and is, therefore, acceptable as a rebrand/reblend.

As a result, **SilverGard 20W-40** qualifies for EMD's internal listing on the above basis and this will serve as recognition of such status.

Sincerely,

D.J. Meyerkord
