HD Mono-Grade
ENGINE OIL
Premium Quality Gasoline Engine Oils
Meets or Exceeds OEM Requirements, ILSAC GF-5 API Service SN

DESCRIPTION

Xtreme™ Heavy Duty SAE Mono-grade Engine Oils are exceptionally versatile premium quality straight grade crankcase oils for gasoline engines. Manufactured from selected premium, high viscosity index base stocks and formulated for outstanding performance in severe service and under varying operating conditions.

APPLICATION

• Recommended for gasoline engines in automotive and industrial applications where straight grades oils are preferred, including cars, trucks, industrial engines, lawn and garden engines, pump engines and farm tractors.

BENEFITS

• Provide antiwear, rust, and corrosion protection
• Resists oxidation, sludge, and varnish deposits
• Protects against friction and wear
• Prevents foaming
• Maintains low temperature fluidity while providing high temperature lubrication with reduced volatility

Xtreme™ Heavy Duty SAE Mono-grade Engine Oils are exceptionally versatile premium quality straight grade crankcase oils for gasoline engines. Manufactured from selected premium, high viscosity index base stocks and formulated for outstanding performance in severe service and under varying operating conditions.

NOTE:
