

August 17, 2020

Dear Valued Martin Plastics Customer:

Due to increases in raw materials, including resin, it has become necessary to institute a general price increase on all plastic containers. Prices will increase on most products by 6.5%.

The price increase will be effective beginning September 1, 2020. All orders received and entered by the close of business on August 30, 2020, for normal delivery lead times will be invoiced at the previous prices. The standard 7-day lead times on deliveries will remain in place during this increase period.

Orders may be limited to 110% of your average purchases over the past 12 months. Information regarding your purchase allocations are available on request.

If you have any questions about this increase please contact your Tabitha Avant or Customer Service at (800) 864-6275.

We appreciate your business.

Best Regards,

A handwritten signature in black ink that reads "Mark Hendrix". The signature is written in a cursive style.
