

January 11, 2021

Dear Valued Martin Customer:

Due to ongoing increases in raw materials, it has become necessary to institute a general price increase on all plastics containers. Prices will increase on most containers up to 15% per unit.

The price increase will be effective beginning Feb. 1, 2021. All orders received and entered by the close of business on January 29, 2021, for normal delivery lead times, will be invoiced at the previous prices. The standard three week lead times on deliveries will remain in place during this increase period.

Orders will be limited to 110% of your average purchases over the past 12 months. Information regarding your purchase allocations are available from Tabitha Avant.

If you have any questions about this increase, please contact Tabitha or Customer Service at (800) 864-6275.

We appreciate your business.

Best Regards,

Mark Hendrix
